### Premium Flight – Dry (3) - \$8.00, Glass- \$12, Single Taste- \$3

**2017 Marquette Proprietor's Reserve** – Estate grown and bottled, aged over 4 years in oak barrels. The lengthy aging rounded the fruit and added some very nice tannin from the barrels. Well balanced. A great example of the Marquette cool climate variety. RS 0, ABV 12.8, only 33 cases bottled, \$30 bottle price

**2016 Marquette Proprietor's Reserve** - Estate grown and bottled, aged over 4 years in oak barrels. Excellent structure and well balanced with that nuanced fruit we love in Marquette. A superb example of what can be achieved with the Marquette cool climate variety. RS 0, ABV 13.6, only 40 cases bottled, \$39 bottle price

**2017 Wingwalker** - Named for the brave souls that used to climb out onto the wings of a flying airplane to thrill the audience back in the Barnstorming era. This is a wonderful big, bold, dry, red wine made from estate grown Marquette grapes harvested late in 2017 resulting in well-rounded fruit flavors, higher than normal sugar content, and lower than normal acids levels. It was fermented in a rose' style then aged for 4 ½ years in American Oak barrels. The resulting wine maintains a subtle fruitiness and is well balanced. Pairs well with grilled meats, ripened cheeses, or delightful all by itself. RS 0, ABV 15.4, 58 cases bottled, \$40 bottle price
